AIDS Outreach Center gratefully acknowledges our donors for their partnership and generous support of our mission over the last year. Every effort has been made to recognize those who have made a gift to AOC over the last fiscal year which runs from September 2009 - August 2010.

If your name was inadvertently omitted or misspelled, please accept our sincere apology. We ask that you notify us as soon as possible so a correction might be noted in our donor database.

AIDS Outreach Center is the leading organization in Tarrant and seven surrounding rural counties serving, men, women, and children with HIV and their families, educating the public about HIV prevention and advocating for sound HIV public policy.
